

from Dick

Strong

Will Burke

I was in a cell.
-Jean Genet

black cocks r bigger and fuck better but I can't decide if white ones are more sensitive. all the help you can give. the bleeding is grim. at best is to wear a quarantine coat in the afternoon. cut it lengthwise + pray she won't wake. in the university of smells shit is my doctor. my assholes right here between the cheeses. I want nothing. I do nothing. that's gross she said/ explained/ screamed + tried to scamper. yr haunch was a vision on the grill spit + lick. paste w/ bob's bbq sauce. I bit the cunt. literally till I bled. I scoured the girl 4 a loose pygmy hole. I had a sugar dick 2 stick. someone thought it funny a big loopy intestine necklace I was drunk but not that drunk.

another goofy date. I took cheap. dog 2 the basement + spray painted. it into a high class skunk. maybe hamburger is the proper feeling of rotten flesh. that's my guess. I don't want to live anymore. I'm not being sarcastic or realistic. gonna jerk it. like a broke hand in a cast. may u tremble. at the size of my cockhole. sand is a great saturator of blood, cats, shit, fingers, u name it. my tossing hide a verlaine. I've sunk a couple of hundred dollars into u. literally those knives weren't cheap. is this a shell or yr skin I'm peeling. it don't taste like milk. is sure. a river is a moat. that's yr name.

I'm not talking sympathy or multiplicity here or
hermaphroditia or trans lea a. this is not neutral.

you can beat them + beat them and they still keep
growing + growing--isn't it a wonder of wonders.

what it's not. shaved or furry. a tuck white a pepper
stand alone. booties. have. critics. I'm a dirty rug +
wanting a new carcass. 2 remain my giblets + unstuff a
heart. the good lord gave us calculators + sticks. it
matters that men r men in tights in historic dramas.
priceless. + chesty. like a swedish vacation. in...
Honduras! fidget + stain. smells catch. have regards.

I ate.

that said. some creature wore this as a home. and it
won't/wasn't no cow or 4 legged beater if u know what
I meant. all these social medias won't put a me back 2
gether again. I'm so fussy abt tea. surprise. the
moment

of breathing never came 4 the baby So I came all over it
face. whop whop. I was lock'd out of the world 4 how
long. the chicken is still in the roasting pan. Yo Plait
varies its heart. suffering. 2 include: Yr Pet: the dildo
w/ the rabbit that tickles yr clit. I am all 4 nothing this
includes the breeze cumming off plymouth hill. I
deserve better she whispers. it's an itching that feels
bad. like poison ivy. mixed w/ cum. scoop yr hands +
deserve more. give me back my girl poems. I never
found out what you didn't do. in this case shy is
underage boys is a verb that means fucking underage
boys in bathroom closets. I ate yr salad tossed w/
battery acid. my lips tingle + peel like a sunburn.

a worse feeling could only be bought. remember the
sentence: do unto others a variety of wickednesses. all
scratched up w/ no particular fvision. this poem won't
pass any exam. w/ out holding a hand. I was a king of
squabble. or whatever lay unprone legs broke heart
thrushed. I'm in my said going said. I saved u
a-peach-fork unsun. gill-crest naming. as a PDF.
u r the same as a hill. but drunk. + piping speed. u r
the guilt + can't move by design. I long to write + read
you a poem but that'd be perverse considering the
circumstances. Farmstand I give you a handful of shit
pie. yum. I got a building permit from the city 2day.
I'm going to carve off yr left tit. Skip left the toilet seat
open. I didn't know the babes could swim. On their
own in isolation a body will grow warts as thick as
asphalt. It's true even as a monster I bleed cherries
+ apricot snot.

The girl hit the ladybug fresh as meat. So I hit her.
square + tear. yr heart/cunt will expire in 28 minutes.
the ants r adamant admit
u collapse. it.
yr the cheapest cuntberry pie bt I got 2
I even cut into. use my electric knife!
we were exscaping sky I was really hoofing it. u
were bright w/ flies bt happy. catie is tired of washing
dishes. give her a chance to spell: shitfuck. yr breathing
is worry + charged battery tasting. the ice is lashing
the sun broiling steam stupid O I'll never thaw
cook + delight w/ these shrimp. Save my bandages the
blood + puss Ooo so good on bagels. I a warrior swear
2 defend. a spit here a spit there. Somehow Louisiana
managed 2b a state. + not just a place 4 teens to finger
fuck you. w/ grapes. Amy Israeli yeah I fucked her
hand-style. I was the best president yet 2 drop my
bombs on you.

I'd seen all these photographs before So I could look
away. Cheater. during exercises I wonder if you
really r stronger or am I just pretending to be weaker.

I didn't need to b interesting bc I was. shitting in yr orange tree. Butt I was behaving @ the beheading!

It was swell/swollen. yr parit ate my laxative. go-go-dog. whip me up good. these r the sumthings u should do. sd. itch my milly. when I put on the astronaut suit I becasme gravy--gravy like soup. my butcher sung low + lower. I was not a cause. not a fill. to a victim.
